A MESSAGE FROM
CLLR DAFYDD LLOYD-BORLAND
 Outgoing Mayor.

DEAR RESIDENT,

As another Mayoral year comes to a close I would like to say It has been both a privilege and an honour to represent the people of Penmaenmawr as Mayor for the last two years.

It's a role I have taken seriously and have enjoyed working as an ambassador for the town, promoting its great community spirit, its wonderful resources and its fantastic environment for everyone to enjoy. At all times I have attempted to raise the profile of Penmaenmawr and ensure that our voice is heard at both a national and a local level on important issues that affect our community, such as the issues with the management of works on the A55, the impact of the proposed new slip roads at Puffin Roundabout and the issues of the flooding during winter.

Penmaenmawr has a hard working local community striving hard to improve the social fabric of the town. I have had the privilege to attend a huge variety of community events where I have met many volunteers who give their time and effort for the benefit of others. In recognition of these efforts a number of 'Good Citizen' and 'Young Citizen' awards have been to many deserving people. May they keep up the good work!

WORKING PARTNERSHIPS

In these times of limited resources, it has been my philosophy has been to encourage the development of working partnerships between many community groups and organisations to support vital services in the community. This has enabled community leaders to access the Town Council's Community Grants and Donations Fund which is to be supported further by the introduction of the 'Youth Fund' aimed at supporting projects for our young people. It is my belief that by working together that our community will thrive.

In this modern age of technology, it has been important to modernise the working practices of the Town Council. To this end, my term of office has seen the development a new town council website, the establishment of an information texting service and much improved regular newsletters so residents are able to receive up to date information on all local events and activities.

In these times of increasing austerity, it is vitally important that we have a strong town council to represent the people of Penmaenmawr and to ensure that our local organisations are able to provide much needed services to the residents. Finally, I would like to take this opportunity to thank you for your support over the last two years and to wish our new Mayor Councillor Steven Banwell every success in his term of office.

VERY BEST WISHES, DAFYDD
